

Prins Obi is the moniker of Georgios Dimakis: composer, songwriter, pianist, vocalist, music producer and member of Baby Guru. Together they have released four official LPs (“Baby Guru”, “Pieces”, “Marginalia” and “IV”), one mini-album (“Sunshine Special”), 5 digital EPs and they have performed live in Greece, Europe and America (Eurosonic, CMJ Music Marathon, Europavox and more).

In December 2013, his digital EP “Love Songs for Instant Success” was given as a free download, while in November 2014 his first solo album, entitled “Notions”, was released from Inner Ear. His sophomore LP, “The Age of Turlou”, was released on Record Store Day 2017 and has been played live with the help of The Dream Warriors. Together they have recorded his third album “Prins Obi & The Dream Warriors” which was released in November 2018. The sequel to “Love Songs for Instant Success” was released

on limited edition cassette in June 2019. His heavy rock project Electric Feat dropped their self-titled debut in February 2020.

During the two long Athenian lockdowns, he made “The Grasshopper Lies Heavy” in his home, all by himself, entering the bedroom musician universe for the first time... The LP was out in October 2021 via Inner Ear Records. Its sequel, “New World Boi”, was released on October 20, 2023. In 2024, he composed music for “The Birthday Party” movie, starring Willem Dafoe. His space opera “The Secret Life of Mara Gibb” was released in September 2025 via Same Difference Music. His other projects include the duo GAMMAGAMMA and Dim Goblin (his hip-hop alias).
